English dzongkha dictionary pdf. English dzongkha dictionary app. English dzongkha dictionary download free. Ddc dzongkha english dictionary. Download english dzongkha dictionary. Dzongkha english dictionary apk. English dzongkha dictionary online.

Dzongkha Dictionary combines several dictionaries from Bhutan's Dzongkha Development Commission in a single app. You can search for words in Dzongkha, English or Tibetan, exploit the linguistic support incorporated on iOS. For more advanced research, regular expressions can be used to search for all available text. It is a universal application and is optimized for both iPhone and iPad. August 19, 2014 Version 1.0.1 * Correction icon color and typography * bug fixes I like to use this app, but I can no longer use it because of not being compatible with the latest iOS. Can you update it? Thanks to the developer, Phurba, he did not provide details on his privacy practices and data management to Apple. The developer will be asked to provide privacy details when they send their next update of the app. Free31.46 MB It continues to APP The app is composed of leading Spanish monolingual Dzongkha Development Commission (Dzongkha) and bilingual (Italian and English-Dzongkha-Dzongkha). This gives access to Dzongkha dictionaries at your fingertips unlike traditional bulky printed dictionaries. Dzongkha Development Commission is the premier institute in the country in charge of developing and promoting Dzongkha, the national language of Bhutan. The Commission's vision is to make Dzongkha the main means of communication for every Bhutanese in order to promote harmony, cohesion and stability in the country. With the progress of the technology and the goal of Bhutan to create TIC enables society, to promote Dzongkha through ICT is one of the Commission's goals and with the increasing number of smart phone users and the penetration of the mobile phone that has brazen Other means of communication in the country, promoting Dzongkha through mobile phones is seen as one of the most effective strategies. This APP 3 in 1 is developed to provide easy access to Dzongkha dictionaries of the Dzongkha Development Commission and encourages Bhutanese to use Dzongkha as the main means of communication in their daily life. Except for installation, the Internet is not required to use the app. Users can search for words both in English and Dzongkha. In the result, part of the speech and meaning of the searched word will be displayed. The multilingual keyboard supported by Dzongkha compatible must be installed to be able to search at Dzongkha.
